Dear Giovanna,

One of the absolute highlights of our recent cruise to the Mediterranean was our private tour of Rome meticulously arranged by "Discover My Italy".

There was not one glitch during our 9.5 hour whirlwind tour. Our driver, Luca, was waiting for us right up front as we departed the ship in the morning. He kept a close eye on the time as we needed to re-board the ship by a particular time at the end of the day. It was nice to not have to constantly look at our watches and be worried that we would miss anything. That was all done for us. And, at no time did we feel as though we did not receive the value of a privately guided tour and much more!

Luca drove us into Rome from the Civitavecchia Port where we met Mauro Girella, our tour guide. I can't tell you how magnificent it was to be dropped off and picked up at some of the most famous sights in the world. No concerns about parking or worrying about having to stay with a large group. It was just the 5 of us. There was no long waiting in lines because Mauro had previously arranged for all of our passes into the various sights.

Mauro was more than accommodating with his interesting stories and great knowledge of Italian history. We explored Ancient Rome including The Palatine Hill, The Forum, and The Colosseum. We visited The Trevi Fountain and threw our coins in while turned around! We also had stops at The Spanish Steps, the Vatican Museum, The Sistine Chapel, and Saint Peter's Basilica.

The only problem with the day was that it ended way too soon! However, it will give us a very good reason to return and spend a longer period of time in the beautiful city of Rome.

Thank you for coordinating a wonderful day for my family. We have memories of Rome that we will never forget. The private tour was truly the way to go.

Sincerely,

Krista Clark
